

§ 576.402

(iv) Federal-State Unemployment Insurance Program (20 CFR parts 601-603, 606, 609, 614-617, 625, 640, 650);

(v) Social Security Disability Insurance (SSDI) (20 CFR part 404);

(vi) Supplemental Security Income (SSI) (20 CFR part 416);

(vii) Child and Adult Care Food Program (42 U.S.C. 1766(t) (7 CFR part 226));

(viii) Other assistance available under the programs listed in § 576.400(c).

(e) *Housing stability case management.*

(1) While providing homelessness prevention or rapid re-housing assistance to a program participant, the recipient or subrecipient must:

(i) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability; and

(ii) Develop a plan to assist the program participant to retain permanent housing after the ESG assistance ends, taking into account all relevant considerations, such as the program participant's current or expected income and expenses; other public or private assistance for which the program participant will be eligible and likely to receive; and the relative affordability of available housing in the area.

(2) The recipient or subrecipient is exempt from the requirement under paragraph (e)(1)(i) of this section if the Violence Against Women Act of 1994 (42 U.S.C. 13701 *et seq.*) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 *et seq.*) prohibits that recipient or subrecipient from making its shelter or housing conditional on the participant's acceptance of services.

§ 576.402 Terminating assistance.

(a) *In general.* If a program participant violates program requirements, the recipient or subrecipient may terminate the assistance in accordance with a formal process established by the recipient or subrecipient that recognizes the rights of individuals affected. The recipient or subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations warrant termination so that a program participant's

24 CFR Ch. V (4-1-16 Edition)

assistance is terminated only in the most severe cases.

(b) *Program participants receiving rental assistance or housing relocation and stabilization services.* To terminate rental assistance or housing relocation and stabilization services to a program participant, the required formal process, at a minimum, must consist of:

(1) Written notice to the program participant containing a clear statement of the reasons for termination;

(2) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(3) Prompt written notice of the final decision to the program participant.

(c) *Ability to provide further assistance.* Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same family or individual.

§ 576.403 Shelter and housing standards.

(a) *Lead-based paint remediation and disclosure.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations in 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to all shelters assisted under ESG program and all housing occupied by program participants.

(b) *Minimum standards for emergency shelters.* Any building for which Emergency Solutions Grant (ESG) funds are used for conversion, major rehabilitation, or other renovation, must meet state or local government safety and sanitation standards, as applicable, and the following minimum safety, sanitation, and privacy standards. Any emergency shelter that receives assistance for shelter operations must also meet the following minimum safety, sanitation, and privacy standards. The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The shelter building must be structurally sound

to protect residents from the elements and not pose any threat to health and safety of the residents. Any renovation (including major rehabilitation and conversion) carried out with ESG assistance must use Energy Star and WaterSense products and appliances.

(2) *Access.* The shelter must be accessible in accordance with Section 504 of the Rehabilitation Act (29 U.S.C. 794) and implementing regulations at 24 CFR part 8; the Fair Housing Act (42 U.S.C. 3601 *et seq.*) and implementing regulations at 24 CFR part 100; and Title II of the Americans with Disabilities Act (42 U.S.C. 12131 *et seq.*) and 28 CFR part 35; where applicable.

(3) *Space and security.* Except where the shelter is intended for day use only, the shelter must provide each program participant in the shelter with an acceptable place to sleep and adequate space and security for themselves and their belongings.

(4) *Interior air quality.* Each room or space within the shelter must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(5) *Water supply.* The shelter's water supply must be free of contamination.

(6) *Sanitary facilities.* Each program participant in the shelter must have access to sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(7) *Thermal environment.* The shelter must have any necessary heating/cooling facilities in proper operating condition.

(8) *Illumination and electricity.* The shelter must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the shelter.

(9) *Food preparation.* Food preparation areas, if any, must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(10) *Sanitary conditions.* The shelter must be maintained in a sanitary condition.

(11) *Fire safety.* There must be at least one working smoke detector in each occupied unit of the shelter. Where possible, smoke detectors must be located near sleeping areas. The fire alarm system must be designed for hearing-impaired residents. All public areas of the shelter must have at least one working smoke detector. There must also be a second means of exiting the building in the event of fire or other emergency.

(c) *Minimum standards for permanent housing.* The recipient or subrecipient cannot use ESG funds to help a program participant remain or move into housing that does not meet the minimum habitability standards provided in this paragraph (c). The recipient may also establish standards that exceed or add to these minimum standards.

(1) *Structure and materials.* The structures must be structurally sound to protect residents from the elements and not pose any threat to the health and safety of the residents.

(2) *Space and security.* Each resident must be provided adequate space and security for themselves and their belongings. Each resident must be provided an acceptable place to sleep.

(3) *Interior air quality.* Each room or space must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.

(4) *Water supply.* The water supply must be free from contamination.

(5) *Sanitary facilities.* Residents must have access to sufficient sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.

(6) *Thermal environment.* The housing must have any necessary heating/cooling facilities in proper operating condition.

(7) *Illumination and electricity.* The structure must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the structure.

(8) *Food preparation.* All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.

(9) *Sanitary conditions.* The housing must be maintained in a sanitary condition.

(10) *Fire safety.* (i) There must be a second means of exiting the building in the event of fire or other emergency.

(ii) Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(iii) The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

§ 576.404 Conflicts of interest.

(a) *Organizational conflicts of interest.* The provision of any type or amount of ESG assistance may not be conditioned on an individual's or family's acceptance or occupancy of emergency shelter or housing owned by the recipient, the subrecipient, or a parent or subsidiary of the subrecipient. No subrecipient may, with respect to individuals or families occupying housing owned by the subrecipient, or any parent or subsidiary of the subrecipient, carry out the initial evaluation required under § 576.401 or administer homelessness prevention assistance under § 576.103. Recipients and subrecipients must also maintain written standards of conduct covering organizational conflicts of interest required under 2 CFR 200.318.

(b) *Individual conflicts of interest.* For the procurement of goods and services, the recipient and its subrecipients must comply with 2 CFR 200.317 and 200.318. For all other transactions and

activities, the following restrictions apply:

(1) *Conflicts prohibited.* No person described in paragraph (b)(2) of this section who exercises or has exercised any functions or responsibilities with respect to activities assisted under the ESG program, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under the program, may obtain a financial interest or benefit from an assisted activity; have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity; or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) *Persons covered.* The conflict-of-interest provisions of paragraph (b)(1) of this section apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients.

(3) *Exceptions.* Upon the written request of the recipient, HUD may grant an exception to the provisions of this subsection on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (b)(3)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (b)(3)(i) of this section.

(i) *Threshold requirements.* HUD will consider an exception only after the recipient has provided the following documentation:

(A) If the recipient or subrecipient is a government, disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(B) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate state or local law.

(ii) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph
